

Aims of the theme for learning:

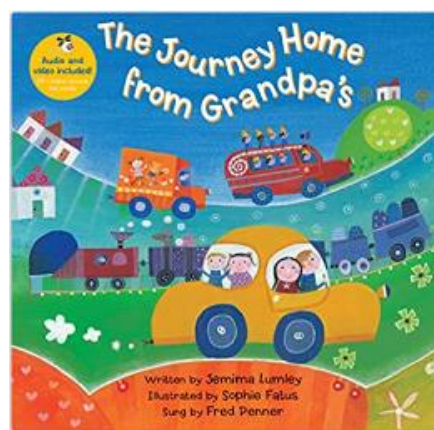

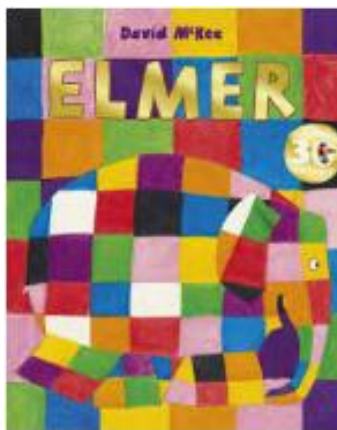

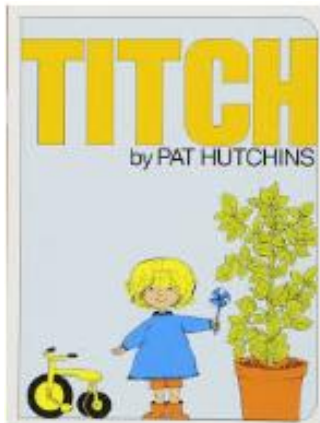

- Develop positive relationships with children and adults in nursery.
- Share their knowledge of themselves and others, including information about people in their family (names, relationships, shared experiences...)
- Talk about their play, things they like and dislike and achievements. Talk about feelings and how different experiences make different people feel.
- Listen and respond to what other people say, talking about the same theme of conversation. Speak in a simple sentence. Ask simple questions to find out more information.

Key vocabulary to understand and use in a sentence:

Family, mum/mummy, dad/daddy, brother, sister, grandma... grandad... aunt, uncle, cousin, friends, choice, choose, feelings, happy, excited, sad, sharing, caring. I like... I feel happy when I...

Forming positive relationships with other children and adults is a key area of focus. Talking about our feelings and developing an understanding of how we feel is supported through the stories we share and the games we play. This is an important and ongoing area of focus throughout the year.

Stories we will share:

How you can help your child at home: Talk about special events and experiences with your child, for example birthdays, holidays, people in your family. Access your child's Tapestry account where their online journal can be viewed and added to. Share memorable moments from home and view and comment on the snapshots of their learning in nursery. Visit the nursery class page: <https://www.pudseyprimrosehill.co.uk/> - please select the following tabs: 'children, class pages, nursery', to view the nursery class page. This page is updated throughout each half term. Please speak with Mrs Alderson or Mrs Ashcroft if you have any questions.
